

Solution to Orange Snafooze Puzzle

Step 1

Take piece marked 'In-house Learning and Communication' and place on table, print side **up**, and words upside down, with the 2 smaller projections pointing 'south' (i.e. towards you)

Step 2

Take piece marked 'Management Development' and with print facing outwards on the cube and reading from top to bottom, place vertically on the 'north side' of the previous piece

Step 3

Take piece marked 'Interpersonal Skills' and with print facing outwards and reading upside down, place on 'south' side vertically.

Step 4

Take piece marked 'Training Advice' and with print facing outwards, attach at 'west' side vertically, rotating until the notches match (print reads away from you)

Step 5

Take piece marked 'Team Building' and with print facing outwards, attach at 'east' side vertically, again rotating until the notches match (again print reads away from you)

Step 6

Finally, take piece marked 'Learning 2XL' and place on top of the cube so that the notches match (print right way up)

Step 7

Dismantle it, put it back in the frame, and pass it to a colleague and see if they can do it!
